

Community Hospice Care Presents the Independent Study:

Hospice Care

1.0 Nursing Contact Hour

1.0 Social Work/Counselor Contact Hour

This independent study is designed to provide information about the criteria to be appropriate for hospice care and define the services hospice provides.

Objectives:

1. Describe the criteria to be an appropriate candidate for hospice care.
2. Explain services provided by hospice.
3. Identify funding sources of hospice.

This activity will provide 1 contact hour.

This continuing education activity was approved by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

Assigned ONA# 14,796-I

Approval valid November 10, 2010 through November 10, 2012

The State of Ohio Counselor and Social Worker Board:

Assigned #MCS051033

Approval valid through May 2011.

No commercial support was received for this educational event. No conflict of interest was identified involving the authors or Planning Committee.

Authors Rebecca Shank, RN and Sandra Terry, RN.

Criteria for successful completion & receipt of the contact hour:

Completion of post-test and evaluation and submission to Community Hospice Care via fax, email, or mail is required for award of contact hour.
